And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall, in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. 78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. DOMINION ORDERS IN COUNCIL.

P.C. No. 1781.

CERTIFIED COPY OF A REPORT OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY THE DEPUTY OF HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 7TH SEPTEMBER, 1922.

THE Committee of the Privy Council have had before them a report, dated 8th July, 1922, from the Minister of the Interior, submitting that Mr. F. J. Bell acquired at public competition in 1907 Licensed Timber Berth No. 507, situated in the vicinity of Coquitlam Lake, in the Province of British Columbia, the berth comprising an area of 6,812 acres, for which he paid a bonus of \$43,344. Mr. Bell assigned his interest in this berth to Messrs. R. R. Hall and William Irwin, of Peterborough, Ontario, in 1909, who are the present licensees.

The Minister further submits that the City of New Westminster takes its water-supply from Coquitlam Lake, and the Vancouver Power Company has constructed a power-dam on Coquitlam River at the outlet of the lake, using the lake as a reservoir. With a view to preserving the waters of the lake from contamination and to regulate the supply of both the City and the Power Company, an Order in Council was passed in 1910 establishing

the Coquitlam Conservation Reserve, which covered the watershed of the lake; and in this connection an agreement was entered into in 1913 between the City of New Westminster, the Power Company, and the Crown. Messrs. Hall and Irwin claim that by reason of the foregoing action they are prevented from taking the timber off the northern portion of their Timber Berth 507 (comprising approximately 4,256 acres), and now make an application to be granted other timber in lieu of that contained in their berth, advancing the following in support of their application:—

That they were advised by the Mayor of New Westminster that if any attempt were made to remove timber from their berth into Coquitlam Lake, he would apply for an injunction restraining them from doing so:

That the Mayor took the ground that the City had the right to preserve the purity of the water of the lake, and had also the right to preserve the timber upon the lands within the reserve:

That the Vancouver Power Company had erected a dam across the Coquitlam River, at the outlet of the lake, without a sluiceway for the passage of logs, and has diverted some of the water from the Coquitlam River, thus, they allege, preventing the licensees from bringing their logs down the river:

That the Power Company and the City both contend that the agreement entered into with the Crown legally binds each not to permit any timber to be cut within the reserve:

That the Vancouver Power Company contends that its dam was erected under plans approved of by the Government, and consequently they are not bound to make any provision for the flotation of logs down Coquitlam Lake and River.

In December, 1915, the solicitors of the City of New Westminster protested against any logging operations being permitted on the reserve, and claimed that under the agreement the Crown was bound to preserve the timber on the reserve for the protection and conservation of the supply of water to the City, so that its purity might be maintained.

Over two years ago Messrs. Hall and Irwin claimed that they should be compensated, as the agreement entered into by the Department prevented them from taking advantage of the rights to which they were entitled by virtue of their licence. Numerous conferences were held, and it seems to have been suggested in the summer of 1920 that they might look over other timber lands as a possible exchange for Timber Berth 507. Accordingly in the summer and autumn of 1920 they made a cruise of some timber lands, and under date October 19th, 1920, forwarded a definite request for the reservation of lands on Fifteen-mile Creek in order that they might there make part of their selection of timber to be conveyed to them in lieu of that of Timber Berth 507. The reservation was tentatively made in the departmental records and they were advised to that effect.

It may be observed that, including the original sale price, Messrs. Hall and Irwin have paid to the Department of the Interior on account of Timber Berth 507 a sum approximating \$50,000, including ground rentals, fire dues, etc. Moreover, they have submitted a statement in which it is set out that, including the cost of cruises, surveys, legal fees, and interest, their total expenditure on the berth to date approximates \$130,000.

With a view of removing the possibility of litigation arising among the parties interested, and without admitting that the acts complained of were not within the authority of the Crown, notwithstanding the issuance of said lease, the Minister recommends that upon the licensees reconveying Berth No. 507 to the Crown, they be allowed to select in lieu thereof other timber of equal value on available Dominion lands.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) RODOLPHE BOUDREAU,
Clerk of the Privy Council.

To the Honourable
The Minister of the Interior.

Until the municipality is divided into wards, the Reeve and Councillors shall be elected by those qualified to vote in the whole municipality.

The Reeve and Councillors elected at such first election shall hold office until his successor, or a majority of their successors, have been sworn in, unless he or they shall die or resign or become disqualified.

It shall be the duty of the Returning Officer to enter in a book, in alphabetical order, the names, addresses, and occupations of all persons, qualified to vote as aforesaid, who make application to him as aforesaid to have their names placed on such list, and such list shall be the list of the electors for such elections:

Before the name of any person shall be placed on the list, he shall make and sign a declaration in writing, before some person authorized to admin-

Such list and declarations shall be open to inspection by any person within lawful hours.

Any person may complain that his name is improperly omitted from the voters' list, or that any other name is improperly inserted thereon, and may apply to a Police Magistrate to have his name inserted thereon or to have any names improperly inserted thereon struck off the said list. In such latter case reasonable notice, to be determined by the Magistrate applied to, shall be given to the person whose name is to be struck off. The Magistrate shall hear and dispose of all such applications in a summary way, and the Returning Officer shall amend the list in accordance with the Magistrate's decision.

At least six days' notice of the time and place of nomination and of holding of the poll (if any) shall be given by the said Returning Officer; such notice to be posted during that period in the manner provided by section 36 of the "Municipal Elections Act."

The Returning Officer shall, on the day of nomination, at 2 o'clock p.m., announce the names of the persons put in nomination in that behalf as candidates for the offices of Reeve and Councillors, as prescribed by the "Municipal Elections Act."

At the close of the time for nominating the candidates the Returning Officer shall deliver to every candidate applying for the same a duly certified list of the names of the several candidates who shall have been nominated, and any votes given at the election for any other candidates than those so nominated shall be null and void.

If, at the expiration of the time appointed for the election as aforesaid, no more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall forthwith declare the candidates who may stand nominated to be elected, and return their names to the Registrar of the Supreme Court.

No speeches or interruption to the proceedings of nominating candidates at the hustings shall be permitted by the Returning Officer between the reading of the notice of election and the closing of the proceedings on nomination-day by the Returning Officer.

If, at the expiration of such time, more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall declare the names of the candidates, and publicly proclaim the day previously stated in his proclamation, and the place at which the poll shall be so opened in the municipality, for the purpose of taking the votes of the electors according to law; and shall then adjourn the election, and shall take a poll by ballot, and shall cause to be posted up notices of his having granted such poll, indicating the names, residences, and occupations of the candidates so nominated, in the order in which they shall be printed on the ballot-papers, which notices shall, as soon as possible after the nomination, be placarded in all the places where the proclamation for the election was posted up.

If, after the adjournment of an election by the Returning Officer for the purpose of taking a poll, one of the candidates nominated shall die before the poll has commenced, the Returning Officer shall, upon being satisfied of the fact of such death, countermand notice of the poll, and all the proceedings with reference to the election shall be commenced afresh: Provided that no fresh nomination shall be necessary in the case of a candidate who stood nominated at the time of the countermand of the poll.

In case of a poll being held, the candidates (duly qualified) who shall obtain the greatest number of votes shall be Reeve and Councillors respectively.

Every person qualified to vote shall have five votes, being one for each Councillor to be elected and one for Reeve, but he may vote for any less number than five: Provided always that he shall not cast more than one vote in favour of any one candidate, or vote on more than one occasion. And in the event of the number of votes being found to have been equal for any two or more candidates, one or more of whom, but not all of such candidates, being by the state of the poll entitled to be

declared elected, the Returning Officer shall, by casting vote or votes, as the case may be, decide which of the candidates for whom the votes may be equal shall be elected: Provided that the said Returning Officer shall not vote except in case of an equality of votes as aforesaid.

All expenses attendant upon the said election shall be borne by the said municipality.

The opening of the ballot-boxes and counting the votes shall be in the presence of the candidates, if they attend for that purpose.

The Returning Officer, after the declaration of the poll, shall retain the ballot papers and boxes until a Clerk shall be duly appointed, to whom he shall forthwith deliver the same.

Every person who shall have presented himself for nomination, and who shall have been elected a Reeve or Councillor, must serve for the term for which he has been elected, unless in the case of sickness, or in default pay a sum of fifty dollars towards the municipal revenue; such sum, with costs, shall be recoverable by the Clerk of the municipality, summarily, before any Justice of the Peace.

Any vacancy in the office of Reeve or Councillor shall be filled as provided by the "Municipal Elections Act."

The first meeting of the Council shall be held on Saturday, the eleventh day of November, A.D., 1922, at the Glenmore School-house aforesaid, at twelve noon.

Until provision be made by by-law in that behalf, all proceedings at and relating to the meetings of the Council shall be held and taken in accordance with the provisions contained in the "Municipal Act," and all the powers, privileges, and duties of the Reeve and Councillors shall be the same as those prescribed by the said Act.

At the first meeting, or as soon thereafter as possible, the Council may elect a Clerk, Treasurer, Collector and Assessor, or such officers as they may deem necessary, who shall hold office during the pleasure of the Council, and receive such remuneration as the Council may by by-law appoint.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Our said Province to be hereunto affixed.
